MATTE FINISH

Our finest interior coating enhanced with Ceramic Technology for use on walls where a durable flat finish is desired. The matte finish offers the minimal light reflection of a flat with increased washability. Also a great choice for use on walls with uneven surfaces.

SOFT SHEEN

Our superior quality, thick & creamy, durable wall coating will minimize dirt pick-up and is washable. Ideal for projects where a deep, rich look and some sheen and washability are desired.

SATIN CABINET & TRIM

This unique, silky texture captures and reflects deeper tones and richer hues. Formulated for application on doors, cabinets and trim, this is superb choice when working on high traffic surfaces. This durable coating resists blocking and stains while providing all of the elegance of the COLOR EVOLUTION Collection.

SEMIGLOSS CABINET & TRIM

Evolution Interior Semigloss Trim is our finest coating for use on doors, trim, and cabinets where a durable semigloss finish is desired. The semigloss finish offers exceptional durability, resistance to dirt pick-up, and washability.
